More of practical work

Macro classroom teaching needs to done more to make students more prepare for internship

1. Some of teachers without consulting us they directly come to conclusions . I feel like as our mentor they should first consult us and then give us advice not directly giving us conclusions without hearing our thoughts.

2. Some of the teachers ,they didn't give us advice but directly scolded us ,we as a student expect from our teachers to guide us during our hard time especially when you are from different state .

ICT learning

Should teach of more advanced Teaching Aids and materials

Education system
